WHITES

CREATE COLOUR COMBINATIONS USING THE COLOUR PALETTE

DEEP TONES

Our deep tones make an impact when used across all walls, or to enhance a focal point balanced with a subtle white.

MID TONES

Our mid tones pair beautifully with white or pale tones for a softer, seamless look on your walls.

PALE TONES

Our Pale tones give a hint of colour. Use them with Mid and Deep tones to gently lift the walls, ceilings, or wood panelling.

WHITES

Our white shades coordinate effortlessly with all the other tones in the same column of colour, whether used for your walls, or ceilings.
